Unpackaged Product Depth (mm)	115
Material	Stainless Steel
Etim Code	EC010079

Description

Circular external ventilation hood/grille made of stainless steel, with an attractive design that suits modern facades. Connects directly to the ventilation duct. Can be used for a number of different applications. Comes with insect net

and screws for installation.

For extra weather-exposed and coastal areas, we recommend our weatherproof air intake Tyfon.
